

ONLY A LITTLE MOUSE.—The Temple Theatre in Alton, Ill., was Saturday night the scene of great commotion. Jane Coombe was on the boards as *Lady Deirdre* in "Bleak House," when, in the midst of one of the most emotional scenes, the actress and the audience were startled by the screams of the ladies in the front row of the dress circle, together with a sudden uprising and climbing upon seats. The house was at once in an uproar, while visions of fire, falling walls and breaking floors flitted before the eyes of the assemblage. Managers and ushers rushed to the centre of the disturbance, when it was discovered that the cause of the commotion was a little mouse.

SOCIETY LOOKING FOR A LEADER.—Mrs. August Belmont's death leaves New York fashionable society without a recognized leader since Mrs. Wm. Astor will not be prominent during the coming season. Next to Mrs. Astor, Mrs. Belmont was regarded as the head of that exclusive circle, and whose disfavor could as easily mar it. Having wealth, position and natural gifts, Mrs. Belmont was the successor of Mrs. Astor as the social arbiter. She was the daughter of Commodore Perry. Her funeral will take place tomorrow afternoon and the body will be buried at Newport.

"In no way can Americans so effectively inform themselves on the subjects that claim public attention from one month to another as by reading the NORTH AMERICAN REVIEW."

IN THE NORTH AMERICAN REVIEW

YOU WILL ALWAYS FIND THE RIGHT TOPICS.

BY THE NIGHT MEN.

AT THE RIGHT TIME.

The topics are always those which are uppermost in the public mind—in morals, politics, science, literature, business, finance, industrial economy, social and municipal affairs, etc.—in short, all subjects on which Americans require and desire to be informed. No magazine follows so closely month to month the course of public interest. All subjects are treated of impartially on both sides. The contributors to the Review are the men and women to whom the world looks for the most authoritative statements on the subjects of the day. No other periodical can point to such a succession of distinguished writers. The list is a roll of the people who are making the history, controlling the affairs, and leading the opinion of the age, such as Mr. Gladstone, the Prime Minister of England; Mr. Blaine, U. S. Senator; Mr. H. R. H. the Count of Paris; Cardinal Gibbons; Bishops Potter, Doane, Maloney, Foss, etc., etc. The time when these subjects are treated of by the contributors is the very time when the subjects are of the greatest importance to one or two after people have ceased to think of them. The promptness with which the Review furnishes its readers with the most authoritative information upon the topics of the day is one of its most valuable features.

PROF. L. WUNDRAM'S ELECTROL

Has a wide reputation throughout Europe as a NERVE TONIC and AID TO DIGESTION, and those afflicted with NERVOUSNESS, GENERAL DEBILITY or IMPAIRED DIGESTION will do well to give it a trial, as they will derive more lasting benefit from its use than any other similar preparation now in the market. It is aromatic and most palatable, and being compounded from wholesome herbs and roots alone, it may be safely taken by the most delicate invalid or convalescent, while SICK HEADACHE, an outgrowth of a disordered stomach, will vanish before it like magic. See trade mark, without which none is genuine.
